Let Nations Fill
Every Want for the
**Thanksgiving
Dinner**

FOR MANY YEARS NATIONS' MARKET has been recognized as the one place in the Southwest where every need for the holiday dinner can be filled. On Thanksgiving people demand the very choicest poultry, groceries, vegetables and fruits. Nations' Market receives orders for such dinners from a majority of the El Paso homes, because they know that they get the finest of everything. For this reason many have formed the opinion that Nations' was a high priced market, but the facts are that it is a market where you pay no more and get better quality than could be expected elsewhere. This season we have made preparations to have an unusual quantity of high quality of poultry, groceries, vegetables and fruits and if your order is sent here you will not be disappointed with the Thanksgiving dinner.

DENEEN TO GO ON THE STAND

Governor of Illinois to Be
Called in the Lorimer
Bribery Case.

Chicago, Ill., Nov. 19.—A special to the Tribune from Washington says the senate committee on privileges and elections, which has been investigating charges of bribery in connection of William Lorimer to the United States senate will place governor Deneen, of Illinois, and state representative Robert E. Wilson, of Chicago, on the witness stand.

The subcommittee which held a hearing in Chicago did not hear governor Deneen, as it was not disposed to enter into factional politics of the state. However, senator Bailey and other members of the full committee believe it to be advisable to hear the governor.
